7. The Ch. Engr. for Roads and Buildings has raised two points for decision.

1) The date from which the G.O. no. L. 6050-5/L.B. 45-20-10 dt 19-4-22 directing that the cost of maintenance of the motor road round the Bhemmundesvari temple be met in equal proportions by the temple and the State (P.W.D), should be given effect to.

2) Whether the P.W.D is liable for expenditure incurred by the Palace prior to the issue of the order.

8 In G.O. no. 1564-8/Mis 257-20-5 dt 21-9-21, it has been clearly stated that the maintenance charges amounting to Rs 1882-10-0 already incurred be borne equally by the P.W.D and the temple, and that the future maintenance charges be met equally by the Temple & the Dept. Bd.

9. In G.O. no. L. 6050-5/L.B. 45-20-10 dt 19-4-22 only the latter portion of the above order was modified & the maintenance charges were directed to be borne by the Temple & the State (P.W.D) in equal proportions.

10. So, it is clear from the Govt. orders referred to above, that a moiety of the maintenance

charges ~~from the time they were incurred~~, should be met by the P.W.D from the time such charges were incurred.

11 Kind reference is also invited in this connection to the Coh: Engrs memo. reply No. 22 of 4-8-21 in Mcy: file 570/20 to the effect that the cost will be met from the reserve grant under "Repairs, Communications".

It has accordingly been stated in the Govt. O. of 21-9-21 that the cost to be borne by Govt on this account will be met from the reserve grant under "Repairs - communications" as pointed out by the Coh: Engrs.

12. Subd for orders as to whether a reply may be sent to the Coh: Engrs as noted above
